**Calling all Gardeners!**

Please come along and help Faringdon Meeting with their Spring Gardening

**Saturday 5 March 10:30—15:00**

**Friends Meeting House, 4 Lechlade Road, Faringdon SN7 8AQ**

You will be well looked after and it will cheer up Faringdon Friends no end to see some new faces and green fingers! Details from Deb if needed.

**Any Old Pots**

The Garden Team

The garden team will be using lots of pots in the coming weeks to plant up seedlings for the garden and for our outreach plant stall. If you have any unwanted plant pots or strong seed trays we can use them – ideally clean and without their own slugs and snails attached! Please leave them by the compost heap at the back of the Meeting House garden. Many thanks.
